

Nicholas Dragunow

Full Stack Web Developer

location: Vancouver, BC **email:** ndraguno@gmail.com **phone:** +1 236 986 6402 **website:** ndragunow.nz **projects:** github.com/ndrag

A well-rounded software professional with a strong background in consultancy. Senior roles in leadership, organisational change and management, data analytics, API design, and (chiefly) full stack web development. Seeking a challenging technical position in a high-performing team with scope to own projects and work directly with stakeholders.

A New Zealander with the right to work in Canada.
